

Welcome to the Kiwanis Club of Suburban Frederick FSK Mall Charity Giftwrap:

Below is some information that you might find helpful.

First, be sure to watch this YouTube giftwrap introductory video:

This year we are located near Center Court in the JCPenny's wing:

We use a “Line Forms Here” sign to ensure customers are helped on a first-come-first-served basis:

The below shows the different types of primary apparel boxes. All are marked. (#1 for shirts, #2 for pants, #3 for jackets, #4 for coats: then we have a small box for toddlers/infants and a deep box for purses and bulky sweaters. The below shows them all including a pyramid of apparel box examples:

Another view:

We have two widths of paper: short and long. Use short for small and medium size boxes and long for large boxes or huge items such as luggage! Of course, if customer asks for long paper for a jewelry box then go ahead and accommodate him. (Maybe use a scrap piece!)

Below shows the giftwrap schedule in the three-ring binder. Purses can be stored under the table. You are welcome to wear an apron and a “Thanks For Your Donation” badge.

The wrap area has four primary stations. Each has its own supply of the primary apparel boxes:

Various sizes of smaller boxes are also available:

Each station has tissue paper, tape, scissors, labels and bows:

Each corner has information about Kiwanis and our club. We are also selling train raffle tickets as indicated in the vertical sign holder. Please sell if you can. \$2 each or 3 for \$5. Keep money separated by putting ticket stubs and raffle money in the brown, zippered bank pouch which is kept in the cashbox.
