The Community Foundation of Frederick County recently celebrated its 37th Annual Report to the Community event by hosting a dinner and award ceremony. Several individuals were honored with the Wertheimer Award for their community service that is profoundly impacting local organizations and lives. One of the honorees, Ilka Tona, is a Middletown High School graduate and served as president of the Middletown High School Key Club. The Kiwanis Club of Frederick was a sponsor for the Annual Report event and Richard & Laurie Cutting and Colette Baker (above) attended the event on behalf of the Kiwanis Club.

2023 will definitely be a year to remember.

With the opportunities I had this year I grew in all aspects of my livestock projects. However, the most important to me is the ability to grow as a showman. I have my supporters to thank for that. Thank you for your support this year whether it was buying one of my market projects, adding a donation to my project or supporting me in other ways. Your generosity does not go unnoticed and is definitely appreciated.

I'm already looking forward to 2024 and what's in store for the year.

Peighton Rhinehart

Dear Fredrick

Your support means a
lot to me. I can not wait
until next show season.

Sincerely - Adalyn eaves
