Frederick Club Recognizes Historical Figure at Special Dedication Ceremony Aug 12

Details: August 21st @ 10:30 at 18 West Third Street, Frederick. We would like as many Kiwanians to attend this special event and wear their Kiwanis shirt and/or something showing you are a Kiwanis member.

Over the years, numerous plaques have been dedicated to outstanding Frederick residents by the Frederick Kiwanis club. Recently, the board approved recognizing Emma Josaphine Smith with a plaque which will be placed on her 3rd St. residence at a dedication ceremony on August 21.

"More than a century ago, Emma Smith had a dream of opening a hospital for her community, and she remained committed to making this vision a reality. Her vision—along with the generosity of the Frederick community—led to Frederick Health being built on a solid foundation of philanthropy. Not only was Emma the first president of the hospital, she generously donated the land on which Frederick Health resides, and she worked tirelessly with her dedicated group of women to raise the \$8,000 needed to open the original hospital. "

Frederick City police chief, Jason Landeau, was a guest speaker at a recent club meeting. Pictured left, Club Pres Richard cutting presents Chief Lando with a club Challenge Coin as a Thank You gift. They are joined by club member, Roz Nasher.

Club members (top, left) recently contributed a load of school supplies in support of United Way's Stuff the Bus, which is a program dedicated to providing local students living in foster care and group homes with new backpacks filled with age-appropriate school supplies. (Not pictured is member Art Anderson who was behind the camera!) In the bottom photo, Art Anderson and his wife, Julane, (far right) helped filling backpacks with the school supplies that had been collected.

Kiwanians from the Mt. Airy and Westminster Clubs joined our club for annual club picnic at Pinecliff Park. "Thanks to one and all who attended the annual picnic. A big thanks especially to you all for the delicious foods that we all enjoyed so much. The rain held off, the school supply drive was huge and everyone had a good time. The pick card game was a success with Dr Art Anderson taking home the \$87 prize.! Again, thanks to all..—Richard Cutting
